Regina Jais : *Legendary France; Carcassonne and the Basque country,* before purchasing it in order to gage whether or not it would be worth my time, and all praised *Legendary France; Carcassonne and the Basque country,*;

2 of 3 people found the following review helpful. *Stories and Legends*By Helen H. BarrCarcassonne was the favorite stop in my visit to France and Spain and I ordered this book with the thought of getting more info/history. It was not quite what I had expected, being mostly a travelogue of another tourist albeit in the 1930's. Nevertheless, there were some interesting stories about many of the places I visited. I just had hoped for something more recent or historical.

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.
