Let's Go Inc. : Let's Go 2003: Barcelona before purchasing it in order to gage whether or not it would be worth my time, and all praised Let's Go 2003: Barcelona:

1 of 3 people found the following review helpful. OK for the young budget travelerBy Jennifer GaritoI bought this book, the Lonely Planet Spain, and Time Out Barcelona, and I would strongly recommend the Time Out guide instead of this book. I found the Lets Go book to be lacking all-around. It was good for a brief overview of Barcelona and what to do there befor we left, but once we arrived we never picked it up again...and we were inseparable from our Time Out book. The only time I would recommend the Lets Go book is if you will only be in Barcelona for a day or

two.
