Let's Go Inc. : Let's Go 2003: Rome before purchasing it in order to gage whether or not it would be worth my time, and all praised Let's Go 2003: Rome:

0 of 0 people found the following review helpful. Useful and interestingBy J. SmithI used this edition of Let's Go for 2 separate trips to Puerto Rico and was very happy with it. I thought it contained a good amount of background and history of the island, as well as pointing out interesting, non-touristy places to go and things to do. It has a lively, engaging tone and is never dry or boring. I enjoyed just reading it to learn about Puerto Rico, aside from using it as a guide to the island.A more recent edition has been published, so therefore not all of the info in this edition is totally up

to date (but of course, it is impossible to have a totally up-to-date travel book because by the time these books are published, some things will inevitably have changed). But in my opinion it would be worth having along just to read about Puerto Rico and get suggestions for off-the-beaten-path things to do.² of 2 people found the following review helpful. The Cheapskate's Grecian Delight By D. R. Ransdell The "Let's Go" series has been indispensable to me as a poor student and now as a frugal university lecturer. It has the best information for the budget tourist, and the new, slim volume is easy to carry--I won't have to tear out the pages and carry them around with me as I have with the fatter, thicker "Let's Go: Greece" volumes from the past. The new cover is also much more attractive than the old yellow and even older blue ones. As usual, this book offers historical explanations, tips, and practical information. It includes concrete information about ground transport (bus and ferries) and affordable places to stay and dine. The volume has useful maps and updated addresses for Internet cafes and English-language bookstores. The descriptions of cultural sights are somewhat uneven (the book gives a paragraph on Rhodes' Italianate Palace of the Masters but only four lines on the comparatively more important Archaeology Museum), but it lists the cultural highlights most visitors are looking for.¹ of 1 people found the following review helpful. For the independent traveler? By Jean Pond I just spent a month in Athens. I had picked this book as my primary guide, based on the advertised bent toward the "independent traveler" and an unfortunately cursory look. After a week in Athens, I bit the bullet and went into a local bookstore to pick up The Lonely Planet for Greece. Sigh. A few comments: 1) The maps are not good. The map for Athens is terrible. 2) If you want information on bars and nightlife, I guess this is your book. If you want information on what you REALLY need to do to catch a KTEL bus from Athens to Delphi, good luck. You'll need it. (Actually, good luck on getting that bus, too, but that's a different story.) 3) Way too much cutesy filler and tourist-group bashing. In summary, if by "independent traveler," you mean "twenty something and drinking my way through Europe on mummy and daddy's money" then Let's Go Greece is for you!

The Resource for the Independent Traveler For over forty years Let's Go Travel Guides have brought budget savvy travelers closer to the world and its diverse cultures by providing the most up-to-date information. Includes: · Over 4,000 entries at all price levels for lodging, food, attractions, and more · Must-have tips for planning your trip, getting around, and staying safe · The best wine bars, nightspots, and live entertainment · In-depth cultural information that offers an insiders' look at life in the city · Hundreds of opportunities to make a difference--study, work, and volunteer in the community Featuring not-to-be-missed Experiences Connecting to the Culture: Learn local tips on how to survive Rome's mass transit system Hidden Deals: Shop at markets where the food is so fresh, it's still moving Off-the-beaten Path: Escape the pontifical pressures of Vatican life for the cool terraces of Castel Sant'Angelo Contains Dozens of Detailed Maps Get advice, read up, and book tickets at www.letsgo.com
