0 of 2 people found the following review helpful. OK so not a student...By William L. Lipton Jr.LOL this is a biased ranking... the content is informative and, like several books in the "Let's Go" series, worth the money for those who really want to experience a location.I my case, I'm a retired old fart who isn't about to wander off to distant lands in the immediate future -- did it in the past, and will again, but not right now. For me, I have a personal interest in this book

... One of my daughters was one of the two researchers. Granted, they don't give section credit, but I know her writing style, and can see it when I read it. I also know she did some serious exploring during her time in Florence and reported on some little experienced corners the average student, or traveler, would love to experience.

As cultured and decadent as Florence gets just check out the Duomo or Santo Spirito church the intrepid student researchers of Lets Go Florence have discovered the best budget secrets and raucous nightlife that make this city a haven for the Bacchus in all of us. Weve searched a thousand alleyways and squares to find the best of Florence. Pick up Lets Go Florence for insider tips on which bars offer complimentary aperitivi (free food) and where to get a room in a local historic convent. The heart of Tuscany's artistic heritage can be overwhelming, but our irreverent commentary will keep you thoroughly entertained through scores of Michaelangelos and centuries of Medicis.
