Perseus : Let's Go Great Britain with Belfast Dublin: The Student Travel Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Let's Go Great Britain with Belfast Dublin: The Student Travel Guide:

0 of 0 people found the following review helpful. MehBy Cheryl D. OdomI've used this series of books since the 70's, when I first started traveling abroad. They've all been great. This one was confusing, some of the information was

outdated, and the only real way to find what I was looking for was to use the search button in the drop down menu. I think next time, in spite of the additional weight, I'll use a paper copy. This guide does not translate well to a digital format. 7 of 7 people found the following review helpful. Let's go Britain By Rebecca L. Robinsongreat book for my upcoming trip, but I'm a little dissapointed in the company for downsizing the book so much from previous versions. It's still very helpful but some information got hacked that could be valuable. 10 of 10 people found the following review helpful. Where did the rest of the book go? By queenlinnaDisappointed, to say the least. The new design is hard to follow (harder to tell which city you're looking at . . . and there are fewer in the book to look at), and a good chunk of the information is gone, including the much appreciated coloured maps which appeared in the previous books. I'm sad I paid for this. Luckily, just came across a 2009 copy on sale for \$6.98 - glad to have it, and be able to start booking my trip based on its advice.

A trip to Britain can really break the bank — but not with Let's Go to help you out. Our student researchers have trekked up and down the Isle to bring you the most exciting, accommodating, and affordable places to sleep, eat, and party it has to offer. Pontificate in front of priceless works of art — free of charge — at London's major museums, or experience Edinburgh's internationally renowned arts festivals. Whether travelers are hot on the trail of Shakespeare and Virginia Woolf or keen on hiking the snowy peaks of Wales, Let's Go Great Britain will show them how to make the most of their quid.
