Let's Go Inc. : Let's Go London 16th Edition (Let's Go: London, Oxford Cambridge) before purchasing it in order to gage whether or not it would be worth my time, and all praised Let's Go London 16th Edition (Let's Go: London, Oxford Cambridge):

0 of 0 people found the following review helpful. Great travel guideBy WantavwbugInformative, well-written, and easy to follow.4 of 4 people found the following review helpful. Great book for travelers on a budgetBy V. ShermanI am pretty loyal to the "Let's Go" brand of guide books, and I was not let down by this one. From its little tips (like using computers at the National Gallery to customize a quick tour) to its hotel and restaurant recommendations, I

really depended on this book for my recent week in London and was generally very pleased. I especially try to visit the sights with "thumbs up" from the editors, and it was always dead-on about the best museums, sights, and restaurants to visit. For the pubs, I really appreciated the history that the book gave about some of the older pubs, such as famous authors who used to frequent them. You might hear about great pubs to visit, but Let's Go really gives you the background of each place. The one complaint I have about Let's Go London is that in some of the heavily touristy areas, the book doesn't give recommendations that are close enough to the sights. We'd be at a sight and would look up a restaurant that sounded really good, only to find that it was over a mile away (although technically in the same borough). This would be a problem on the days when we had a limited amount of time. The information provided in the book was generally accurate, although as with any travel book, the prices listed are usually outdated as soon as the book is printed. Thanks, Let's Go, for another awesome European vacation!

By LaurenHunt

I recommend any of the Let's Go books when traveling abroad... the maps are excellent on the inside and it has the best little blurbs about all the places they recommend to see. I will always get one for the cities I travel to!

Packed with travel information, including listings, deals, and insider tips: **CANDID LISTINGS** of hundreds of places to eat, sleep, drink, and feel like a local. **RELIABLE MAPS** for more than 20 of London's neighborhoods. **INSIDER TIPS** on how to catch discounted shows and find other hidden deals. **DELICIOUS EATS** from fish 'n' chips to Indian dishes like chicken tikka masala. **BARGAINS AND DEALS** to help you get the most out of London's shopping without breaking the bank. **ITINERARIES** for the perfect day on the Thames or an afternoon exploring London's many historical sites. **EXCITING FESTIVALS**, concerts, and parades for any time of year. **THE BEST NIGHTLIFE**, from downtown bars to Brixton clubs, with a pub crawl to guide you through.

“For independent travelers on a budget, with an emphasis on whatever's hip, fun, or free.”—Associated Press
