Let's Go Inc. : Let's Go Map Guide Florence (2nd Ed) before purchasing it in order to gage whether or not it would be worth my time, and all praised Let's Go Map Guide Florence (2nd Ed):

12 of 15 people found the following review helpful. Lot of Info in a Little SpaceBy Dianne WilburnThis book has 4 maps of Florence which I used over and over. It also has info organized into what there is to do in each little area. This was really helpful when we were in an area and had time to catch another museum, palace, etc. I would recommend it. Next time I travel to a city for any amount of time, I will look for another Let's Go Map.
