Great resource for teaching kids about foreign countries By Finny123I purchased two books from this series for my girls before travelling to these countries. There is no "plot" per se but they are a fun and easy way to introduce younger kids to new cultures. All the major sites and foods are included as well as some facts about the countries and "how to pronounce" guide. There is nothing like this on the market so I appreciate it very much! 0 of 0 people found the following review helpful. The Adventures of Bella Harry is a picture book

series that chronicles the escapades of a pup named Bella, her little brother Harry and their family, who travel the world exploring the sights and sounds of new, exciting cities. The “Bella Harry” series is intended to be an informative, interactive and exciting way to introduce children to travel, different countries, customs, history and landmarks with the educational value of this book cleverly disguised amidst dozens of illustrated pages which are sure to win the hearts of young readers. Traveling the world with these two cute and cuddly Chihuahuas will allow the young reader to gain an appreciation of the world and its cultural diversity. Happy Travels from Bella Boo and Harry too!!!

From the Author The series was developed with the hope of inspiring young readers to embrace the world and encourage its exploration.
