I bought this book after we went to Venice. I love this book, and my toddler asks me to read it all the time! I only wish I would have gotten it before we went to help get him excited! Love the illustrations and the amount of landmarks, food, and culture that is covered in a fun way.0 of 0 people found the following review helpful. Bella and Harry Let's Visit VeniceBy Nancy M. KeelMy grandsons love this book. They learned a bit about Venice, were excited to see it is shaped like a boot and that folks eat spaghetti and meatballs, and had fun working on and saying the Italian phrases.0 of 0 people found the following review helpful. Let's Visit Venice!By Nancy M. KeelMY grandsons loved the picture of spaghetti and meatballs, the

country shaped like a boot, and the canals. They also pointed out that it was Bella who got into trouble in Venice just like she did in Barcelona.

Join sibling Chihuahuas Bella Harry as they travel to Venice with their family and explore St. Mark's Square, the Rialto Bridge and take a ride in a gondola. Along the way, local cuisine (such as gelato) is presented to the inquisitive reader and basic Italian phrases are introduced to the curious youngster. The Adventures of Bella Harry is a picture book series that chronicles the escapades of a pup named Bella, her little brother Harry and their family, who travel the world exploring the sights and sounds of new, exciting cities. The "Bella Harry" series is intended to be an informative, interactive and exciting way to introduce children to travel, different countries, customs, history and landmarks with the educational value of this book cleverly disguised amidst dozens of illustrated pages which are sure to win the hearts of young readers. Traveling the world with these two cute and cuddly Chihuahuas will allow the young reader to gain an appreciation of the world and its cultural diversity. Happy Travels from Bella Boo and Harry too!!!

From the Author The series was developed with the hope of inspiring young readers to embrace the world and encourage its exploration. Done through the comedic and informative adventures of Bella and Harry, while traveling through various countries, I hope to stimulate children's imaginations and foster a thirst for understanding the world in which they live.
