David James : Letters From Slovakia: A Humorous Account Of An Englishman Living In The Slovak Republic before purchasing it in order to gage whether or not it would be worth my time, and all praised Letters From Slovakia: A Humorous Account Of An Englishman Living In The Slovak Republic:

Letters From Slovakia is a glimpse of what life was like, for an Englishman at least, in the Slovak Republic; some

years on from the Velvet Revolution and the Velvet Divorce, but still prior to the country joining NATO and the European Union. David James describes life in Slovakia through a collection of letters, which give an account of his personal experiences living in this beautiful little country in the heart of Europe. The letters give a wonderful insight into the society and culture of the Slovak Republic at that time. The Letters From Slovakia begin with David's first encounter with the Slovak Republic, in the summer of 1997, and continue until the close of his second year living in the country, towards the end of 2003. The thirteen letters cover a range of subjects including the following: - "An Invitation To The Embassy" - Join David at a champagne reception in the Slovak Embassy, in London. - "The Journey From Hell" - David's first ever trip to Slovakia. - "The Heart Of Europe" - A visit to the geographic center of Europe. - "From Morava With Love" - A trip across the border to the Czech Republic. - "Easter Traditions" - The "freshening" of women on Easter Monday. - "Making Sausages" - A look at how to make traditional Slovak sausages. - "World Champions" - Slovakia's historic victory in the ice hockey. - "Volby 2002 - Slovak General Election" - Slovakia's most crucial General Election, in 2002. There is no doubt that Slovakia has changed a lot in the decade since these letters were first written, both for the better and for the worse, but many of the themes in the book still hold true today. Letters From Slovakia is simply a must read for anyone with an interest in Slovakia.

From the Author Letters from Slovakia is a humorous look at my personal experiences of this beautiful little country in the heart of Europe, from my first encounter with Slovakia in the summer of 1997, up until the close of my second year of actually living in the country, towards the end of 2003. There is no doubt that Slovakia has changed a lot in the decade since these letters were first written, both for the better and for the worse, but many of the themes in the book still hold true today. I hope that Letters from Slovakia will provide you with a glimpse of what life was like, for an Englishman at least, in this relatively young nation; some years on from the Velvet Revolution and the Velvet Divorce, but still prior to the country joining NATO and the European Union. From the Inside Flap Letters from Slovakia is an interesting look into the society and culture of the Slovak Republic. David James describes life in Slovakia through a collection of letters that were first published on the Slovakia - Heart of Europe website, between the years 2002 and 2003. It includes the letters "Journey from Hell", "Easter Traditions", "World Champions" and the infamous "Christmas Shopping". Below are just some of the comments that visitors to the Slovakia - Heart of Europe site have made about David James' Letters from Slovakia: "The Letter from Slovakia feature is GREAT! When are they going to be made into a book?" "This travel journalist is very amusing..." "... and the Letters are extremely well written." "?akujem for David James' letters. Especially the journal about making Kaputsa." "I had to write and say how funny I found the Christmas Special Letter from Slovakia...." "I really enjoyed your Letter from Slovakia this month. That was hilarious about the chickens..." "From the Back Cover" "This travel journalist is very amusing..." Letters From Slovakia is a glimpse of what life was like, for an Englishman at least, living in this relatively young nation at the start of the new millennium; some years on from the Velvet Revolution and the Velvet Divorce, but still prior to the country joining NATO and the European Union. David James describes life in Slovakia through a collection of letters, which give an account of his personal experiences living in this beautiful little country in the heart of Europe. The letters give a wonderful insight into the society and culture of the Slovak Republic at that time and cover a range of subjects including: - "An Invitation To The Embassy" - Join David at a champagne reception in the Slovak Embassy, in London. - "Journey From Hell" - David's first ever trip to Slovakia. - "Easter Traditions" - The "freshening" of women on Easter Monday. - "World Champions" - Slovakia's historic victory in the ice hockey. - "From Morava With Love" - A trip across the border to the Czech Republic. - "Volby 2002" - Slovakia's most crucial General Election, in 2002.
