J. Burt : Letters from the North of Scotland (Scottish Reprint Library) before purchasing it in order to gage whether or not it would be worth my time, and all praised Letters from the North of Scotland (Scottish Reprint Library):

0 of 0 people found the following review helpful. Down to earth Scotland in the 1720's By Steve Andrews An interesting set of 26 letters from an English soldier and engineer assigned to Scotland in the 1720's. He is writing to an unnamed friend in London about his experiences in Scotland and the people and customs he encounters. If you are looking for a romantic view of Scotland and its people this is not for you, but if you want to get a glimpse of Scotland almost 300 years ago this seems to be the real deal. It is however only one persons view. The detail of life is well worth the read.
