Lavrentiy Alekseyevich Zagoskin : Lieutenant Zagoskin's travels in Russian America, 1842-1844: The first ethnographic and geographic investigations in the Yukon and Kuskokwim Valleys of Alaska before purchasing it in order to gage whether or not it would be worth my time, and all praised Lieutenant Zagoskin's travels in Russian America, 1842-1844: The first ethnographic and geographic investigations in the Yukon and Kuskokwim Valleys of Alaska:

0 of 0 people found the following review helpful. Four StarsBy FTRAv ery interesting and detailed book on many things. The print is very small making it difficult to read.0 of 0 people found the following review helpful. Also to realize that all of the "native" words for western things like whites, flourBy CustomerLilly's husband, Lee; as a Koyukuk native I see this Zagoskin's narrative as a peak into a time just before the lightning fast advance of western people up Alaska's three big western rivers, the Kusko, Yukon, and Koyukuk. Before we discarded our original ways as inferior and grasped the "superior" race technology. An error in many ways. Also to realize that all of the "native" words for western things like whites, flour, pancakes, sugar, money, Doyon, are actually Russian, making English a third language. And to read him gripe about the politics and bureaucracy of his home country much as we do today. I

thoroughly enjoyed this book and will read it again, as I do books of this nature that mature as I do.
