From Turinta : Lisboa (Lisbon) (City Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Lisboa (Lisbon) (City Series):

4 of 4 people found the following review helpful. Great Map! By Atlantico This is a solid map that you can fold out on a desk top and plan a day's outing in Lisboa. Then, just fold it up and put it in your suit pocket and hit the streets. It has

roads, metro and rail routes clearly marked. Plus, major tourist sights are shown. I used it for walking and driving. I would recommend to friends and family.
