His book delivers much useful information and has been helpful in planning our trip. Sometimes the English is a bit clumsy, (a good editor could have helped) and better photo quality would also help. Still pleased with my purchase.2 of 2 people found the following review helpful. Concise guide to LisbonBy

Stankova A perfect guide for short stay travellers. You will find information as to where to find interesting museums, sights as well as where to eat, have an excellent cup of coffee or where to stay on budget. A must book for those who want to experience Lisbon like locals. 1 of 1 people found the following review helpful. Fun to Read By Thomas Kinter Having visited Lisbon several times since 2006 and having lived there in the 1960's, I found "The Best of Lisbon" very comprehensive and fun to read. There was a lot of information that I have earmarked for use when I visit again next year. And I'm looking forward to putting some of the restaurants and sites in my itinerary. Tim Kinter
