whether or not it would be worth my time, and all praised Lithuanian in a Week! Start Speaking Basic Lithuanian In Less Than 24 Hours: The Ultimate Crash Course For Beginners (Lithuania, Travel Lithuania, Travel Baltic):

0 of 0 people found the following review helpful. Great into book on LithuanianBy HLeeI loved the easy and simple way that the author described the topic on starting Lithuanian, which is not a simple language to learn. I was a little skeptic at first, but then a whole new world opened to me. Thanks.2 of 2 people found the following review helpful. and by all means it is a wonderful nostalgia trip for any one of American-Lithuanian heritage who ...By M. J. SalaIt helped me revive my rusty, crusty memories of Lithuanian. For that I was most grateful. As a phrase book that tries to navigate a communication sharing, I was impressed with its attempt to cover the essential issues encountered while traveling. It suffers the limitations of all "phrase book" approaches (lack of explanation of how to move beyond a phrase or two, or even how to understand what is being said back to you if the respondent does not use a familiar phrase), but the format is engaging and accessible. On a very practical matter, if you are going to visit Lithuania, most Lithuanians know enough English so as to make learning their expressions more a matter of friendliness than necessity. This is a very handy book if you want to feel somewhat engaged in the Lithuanian milieu, and by all means it is a wonderful nostalgia trip for any one of American-Lithuanian heritage who has lost contact with their ancestor's tongue.

Are YOU planning a trip to Lithuania? Are YOU Moving To Lithuania? Do YOU have Lithuanian Heritage? Want to get a More Native experience? Really Connect with Locals?Be Honest how Cool would it be if YOU knew Lithuanian! Look its a fact if YOU know a bit of the local Language your trip will always be a more enriching experience!
