About the AuthorSUNSHINE JACKSON is a BAFTA-nominated documentary editor and edit producer. Sunshine spent three years at home after the birth of her second child, during which she founded the Hopscotch newsletter. Sunshine lives in South London with her seven- and four-year-old daughters, Florence and Bibi, her husband Jason and their cat Rosie. They never tire of the often-overlooked Investigate Centre on the lower ground floor of the Natural History Museum, and adore the fig tree in the wildlife area of Myatts Field Park (they've named it Tatty Bongle!).
