**Raymond S Cobb : Live, Laugh, Learn: Studying a Semester in London** before purchasing it in order to gage whether or not it would be worth my time, and all praised Live, Laugh, Learn: Studying a Semester in London:

From blog to book, this is a slightly, in-depth look at my trip studying abroad in London. After winning three scholarship, raising almost \$1200 on Go Fund Me, and having the support of my peers, friends, and family, I was accepted into a 12 week program to study overseas. Required to write about my experience every week, I decided to turn my weekly journals entry into a book for every one to enjoy. So here is the story of my week by week adventures in the United Kingdom. Join me on my Journey.
