**Andre de Vries : Live Work in Belgium, The Netherlands Luxembourg, 3rd (Live Work - Vacation Work Publications)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Live Work in Belgium, The Netherlands Luxembourg, 3rd (Live Work - Vacation Work Publications):

0 of 0 people found the following review helpful. Complete information and just what I needed 5 years agoBy iLLustrator247I like the information that is presented in this book: history, culture, jobs, relocation, business...etc. It is

well presented and organized. Although the author is speaking to his British folks, it can be used for Americans just fine. The only drawback is that it is 5 years old, so I hope it is still relevant today.

A detailed survey of the opportunities for living and working in Belgium, The Netherlands, and Luxembourg from Brussels to Bergen-op-Soom and from Antwerp to Amsterdam.

"An exceptionally useful inside view".--Brussels Relocation
