Guy Hobbs : Live Work in Portugal (Live Work - Vacation Work Publications) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Live Work in Portugal (Live Work - Vacation Work Publications):

0 of 0 people found the following review helpful. Very useful By Jazy Williams I have bought a number of books on living in Portugal etc and this is one of my favourites. Why? Because it has helped me. The best chapters are the advice on residence and entry resolutions, the setting up home in Portugal, employment and starting a business. In all these chapters I have found a lot of useful information some of which I have already used with good success. A good book I am happy to recommend.

A complete guide for everyone wanting to work retire set up a business or just buy a vacation home in the beautiful country of Portugal
