**Sue Tyson-Ward : Living and Working in Portugal: Staying in Portugal - All You Need to Know (Living and Working Abroad)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Living and Working in Portugal: Staying in Portugal - All You Need to Know (Living and Working Abroad):

18 of 18 people found the following review helpful. Like a big lemon with little juice  
By Jayne Greenway  
This book tries to impress but the truth is that it is rather basic. You have to read lots of pages with information that is pretty obvious before you get some juice out of it. I prefer *Live and Work in Spain and Portugal*, by Victoria Pybus and Joshua White. It is much more to the point. It does not waste your time with irrelevant prose.  
30 of 32 people found the following review helpful. Written for EU Citizens  
By Joyce Ferguson  
This book could be useful if you are a EU citizen relocating for a job. I have read books that don't apply to me at all and still found them very interesting, but this one is a very factual, and not very inspiring.

"...Provides a full account of what Portugal has to offer those staying there for more than just the standard tourist visit...a well-laid out handbook which covers all aspects of living and working in an easy-to-read style", -- *Vida Hispanica*, Journal for the Association for Language Learning. Sue Tyson-Ward draws on more than 16 years' living and working in Portugal, and experience as a language consultant and author of several Portuguese textbooks.
