**James E. Post : Loire Radatlas Von Orleans Zum Atlantik: BIKE.FR.15** before purchasing it in order to gage whether or not it would be worth my time, and all praised Loire Radatlas Von Orleans Zum Atlantik: BIKE.FR.15:

1 of 1 people found the following review helpful. Loire Radweg - Incredible beginners biketour! By GVolkII went on this tour with 3 other people in the summer of 2009, the entire way was well mapped and beautiful! Great pictures and descriptions of cities and villages too. Easy roads and some moderate hills, definitely a great resource for German speakers and learners! Viel Spass or amusez-vous bien! :)
