**Hubrecht Duijker : Loire (The Wine Lover's Touring Guides Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Loire (The Wine Lover's Touring Guides Series):

Become "Officier du Mérite" writing books like this!By www.delalonde.comHubrecht Duijker knows Loire Valley and its wines better than many of us who live in this beautiful region of France. His knowledge of local treasures goes from hidden villages such as Martigné-Briand to Gérard Depardieu's castle in Tigné or Louis Métaireau and his "vignerons d'art". He will tell you where, in Mouzillon, you can picnic on this splendid small gallo-roman bridge or advise you on "restaurant de la vallée" in Clisson, an impressive place where to enjoy Muscadet wine. The author was appointed "Officier de l'Ordre du Mérite Agricole" by the French Government. Just to tell how authoritative this "wine lover's touring guide" can be. Whether you plan to visit our region by car, riding a bicycle or a horse, you will love this book... even if you do not like wine that much!
