Insight : Loire Valley (Insight Guides Ser) before purchasing it in order to gage whether or not it would be worth my time, and all praised Loire Valley (Insight Guides Ser):

2 of 4 people found the following review helpful. Informative, fast read, multi-faceted guideBy A CustomerLooking for a very good, overall description of the Loire? This is it. From climate to history, food, folklore, detailed backgrounds on unusual places. Just about every place of any interest will be mentioned. Not just another surface guide to the usual attractions. Well worth the price.
