I was looking for a London theme and this one filled the bill with glorious pictures of my favorite city. However, I was not prepared for how disorienting it could be when a calendar begins the week with MONDAY! Is this a European trend? As much as I love the beautiful pictures I would hesitate to buy this again for the unexpected arrangement of the days of the week.3 of 3 people found the following review helpful. Beautiful Pictures - Wrong DatesBy JWBWanted a calendar with beautiful pictures of London and this looked like just the thing. It arrived in good time, the pictures are beautiful, the quality is good, THE DATES ARE WRONG. January 1 is on a Saturday. The six months of 2011 printed in the front also are wrong. Very disappointed.0 of 0 people found the following review helpful. Beautiful colors, great picturesBy Mathias InngauerLondon is a very beautiful city, and this is shown with pretty, sharp and colorful pictures. Excellent taste, excellent size, excellent finishing!
