**Christopher Winn : London by Tube: 150 Things to See Minutes Away from 88 Tube Stops** before purchasing it in order to gage whether or not it would be worth my time, and all praised London by Tube: 150 Things to See Minutes Away from 88 Tube Stops:

1 of 1 people found the following review helpful. So you think you know London???By L. MillsIt was unique and interesting. I knew about some of the places because I read a lot about London and have been there 9 times over the years, but this book introduced me to many, many places that I had not even heard of. It was quite good and of interest to real fans of London who want to look beyond the big attractions that everyone knows and sees.0 of 0 people found the following review helpful. Poorly thought-out travel guideBy Wendy C.Not only is this book not portable/easy to carry (or pack) for the traveler, there is no overall/comprehensive map of the Tube system to correlate/cross reference all of the stories/tidbits/suggestions. It's as if the book was meant for the armchair reader, sitting by the fire. Not for someone on foot trying navigate the Underground.

London is a city of surprises and variety, over 600 square miles packed full of character, spectacle and sensation. And to really know London you must look beyond the obvious; there are broad vistas and quiet corners, iconic sights and grand boulevards, historic buildings, quaint villages, verdant parks, cobbled alleyways, museums, monuments, statues, markets, theatres, cathedrals and ancient churches. This book unearths and explores a stupendous range of interesting places, some well known, some less well known, some almost unknown, all of which lie within an easy walk of a Tube station. Taking you to 88 stations and 150 different places of interest, viewpoints, walks, unique museums, historic pubs—if you want a day out and you want to do something different then London is your town, the Tube is your means and See London by Tube is your guide.

About the AuthorChristopher Winn's books include I Never Knew that About Ireland, I Never Knew that About London, and I Never Knew that About New York.
