Joining the enchanting sights of Paris and the high-energy of excitement of New York, AMMO Books presents the newest locale in our popular City Series: stunning and sophisticated London. Discovering historical highlights and opportunities for adventure, readers will embark on a journey through the pages of COME WITH ME TO LONDON. With newfound knowledge of foggy London town, children can play our memory game featuring illustrations of Big Ben and the London Eye and add vibrant colour to black-and-white drawings of double-decker buses, the Tower Bridge, and more in a brand new colouring book.Each image within these three new titles features creative interpretation and intricate details by Min Heo, the talented illustrator of AMMO's Paris and New York series as well. With a multitude of landmarks to learn about and iconic representations of the city to enjoy, London comes to life and inspires imagination for future travelers of any age.
