London throughout the day By Peter Uys This beautifully designed book takes the reader on a grand tour of London to experience the changing moods of a typical day. There are impressive images of gardens, parks, squares, statues, shops, festivals, events and the interior an exterior of famous buildings all illuminated by an engaging and informative text. Over 150 of the city's most famous sites are included, each infused with the flavour of a particular hour like daybreak, midday and late afternoon. The book is lavishly illustrated with impressive colour photographs capturing the essence of this amazing city. Ideal for the coffee table, the book is also a great read as it deals with the history and the different flavours of certain areas and streets. London Dawn To Dusk is a great tribute to and celebration of a great city.

From the royal parks to the London Eye and the Millennium Dome, this text reveals London's rich cultural heritage through photographs that capture the celebrated sites at various times throughout the day.
