From Everyman Guides : London EveryMan MapGuide (Everyman MapGuides) before purchasing it in order to gauge whether or not it would be worth my time, and all praised London EveryMan MapGuide (Everyman MapGuides):

Discover London map-in-hand. This is a guide for all tastes and budgets with a choice of 80 sites not to be missed. Fold-out maps give the reader instant orientation and help visitors to make the best of their stay. The guide also contains details of more than 120 restaurants, bars, pubs, theatres, music venues, shops, markets, hotels...and all the practical advice needed. This is a map and a guide, all in one.

A new essential for your back pocket? The Evening Standard; ?These have to be the cleverest little guide books around? Spain Magazine; ?Just the thing to give some needed guidance on a short-break trip? Sunday Times; ?An ingenious idea, a long time in coming? ABTA Travelspirit; ?A unique way to discover a city? Escape to Spain.
