Roger Williams, Michael Leapman, DK Publishing : London (Eyewitness Travel Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised London (Eyewitness Travel Guides):

day London honeymoon and carried this guide with me everywhere I go. The only word of caution I would pass on to would-be buyers is to make sure you know what you want out of your trip. If you want a guide to help you discover all the nooks and crannies of Old London Town and shuffle from one obscure restaurant or shop to another then this is NOT the guide for you. This guide, like all other DK guides, is a great bird's eye view of the city. It's great for a visual reference for the main tourist attractions and must-see areas. Its lists of restaurants, pubs, clubs and shops are far from comprehensive and don't really help you on adventures to find lesser known corners of this great city. 0 of 0 people found the following review helpful. Excellent travel guide By globaltrekkie This is a very good travel guide when in London. It has much info on all of the points of interest in the city. The book itself is good quality, does not bend easily. 0 of 0 people found the following review helpful. Five Stars By Marcus Myers Super
