Sam Hodges, Sophie Vickers : London for Lovers: Romantic Days and Nights Out in the City before purchasing it in order to gauge whether or not it would be worth my time, and all praised London for Lovers: Romantic Days and Nights Out in the City:

Forget Paris - London is the city for lovers. London for Lovers navigates the changing face of the Capital, with all of its secrets and surprises, mapping out romantic dates full of originality, spontaneity, and adventure, allowing you to concentrate on the main event - each other. Whether your idea of a blissful date is walking with dinosaurs in Crystal Palace or star-gazing in Greenwich Park, sniffing out the best street eats in Maltby Street or unearthing Gothic romance in Highgate Cemetery - there are ideas here to suit every mood, every season and every budget. There are suggested routes for quiet days of romance in Leafy London - from Hampstead Heath and Kensington Gardens, to Isabella Plantation and St James Park, taking in some secret gardens on the way. Or for the night owls, Late Night London - from the Seven Noses of Soho to the streets of Shoreditch, from Dalston's hippest bars to Exmouth Market's Cafe Kick. And then there's Lost London, Last Minute London, Lazy London and Learned London, as well as Live and Left-field London. For first dates and soul mates, long term Londoners or just visiting, this book freewheels through London to find you a few hours that could change everything.

" [a] handy, compact guidebook with a romantic twist." —Library Journal
