MehBy Melissa LakeI bought this as part of a gift for someone, and while it does have some helpful info, it's pretty flimsy. It's basically a self-published booklet.

The final guide for free and discounted food, accommodations, museums, sightseeing, outdoor activities, attractions, events, music, theater and rides. This is the best guide for freebies and discounts available in one of the most beautiful and interesting cities in the world: London And probably the most expensive. So, if you need to stretch your budget and get the most of this wonderful city, this book is for you. You'll find exciting things to do in New York: FREE THINGS • Cathedrals, Churches Cemeteries • Park, Gardens Neighborhoods • Music • Attractions • Markets • Show Rides • Museums • Accommodations • Festivals • Food and Drinks DISCOUNTS AVAILABLE • Museums • Theaters • Food and Drinks • Hotels

About the AuthorI am a language fun and polyglot traveling the world to meet fascinating people and getting to know incredible places and customs. I find nothing is more rewarding than practicing languages with others, getting new friends and meeting new cultures and customs. Probably you feel the same way. As I keep learning new languages I realize that each one opens up a whole array of new experiences and a new way to look at the world. I decided to write about my experiences to share them with other people and to transform my lifestyle into a way of making a living. I hope I will be able to transmit my passion for languages and for people to those travelers who find that an unknown foreign language is a barrier hard to get by. I know how it feels and hope will be able to help travelers to get the most of their journeys. Journeys are life transforming experiences! Thanks for reading my books! Sarah Retter
