Lucy McMurdo : London in 7 Days before purchasing it in order to gage whether or not it would be worth my time, and all praised London in 7 Days:

London in 7 Days showcases a variety of exciting seven day itineraries, including some night events, based on proximity and cost to maximize those short visits to one of the most iconic cities in the world. London in 7 days is aimed at both first time visitors to London, repeat visitors and even born and raised Londoners ... the book will highlight lesser known spots and activities as well as the MUST SEE venues in London. This book is the perfect travel companion for anyone exploring one of the greatest cities on earth. (Lucy McMurdo)

About the AuthorBorn and bred in London, Lucy McMurdo is a history graduate with a background in tourism, human resources and education. A real "people person", with bags of stamina and enthusiasm, she is also a guide trainer both in the private and public (university) spheres, and qualified City of Westminster and Clerkenwell and Islington local

guide. She is also the Programme Director/Guide Trainer for Hampton Court guides and has 20 years' experience training guides in public education system, most recently at City University the University of Westminster.
