Perfect for travelingBy aahacaraThese small books are perfect for me for travel. All the biggest things to see and places to go. The 2 little fold out maps are a must. They are inconspicuous also so you aren't holding this gigantic map everywhere you go. I have bought these many times for places I have traveled. Just make sure to get recent ones so maps are up to date.0 of 0 people found the following review helpful. Five StarsBy Julia B.Love the small size and the information included!
