From Chronicle Books : London IQ: The Trivia Game for Londoners before purchasing it in order to gauge whether or not it would be worth my time, and all praised London IQ: The Trivia Game for Londoners:

0 of 0 people found the following review helpful. Five Stars By Lilyanne F. Clark This game is full of London trivia and is educational. 0 of 0 people found the following review helpful. Five Stars By Kathleen E. Welch fun game for people that have been to London wish I could go again Thank you for prompt shipping

This one-of-a-kind game offers diehard Londoners the chance to prove their insider status while exploring the city in a whole new way. Multiple-choice questions quiz players' knowledge of London's historic nooks and crannies, hotspots, and favorite pastimes. Correct answers are awarded IQ points, and the team with the highest IQ wins! From the Tower to the Tube, Annabel's to Ye Olde Cheshire Cheese, London IQ promises hours of fun and makes a great gift for any resident or fan of this beloved world capital.

About the Author Red Cut, LLC is an international game developer owned by Hadi Barket, the creator of Helvetiq (the Swiss version of this game) Helvetiq was inspired by Hadi's preparation for a Swiss citizenship test. Goofy quizzes among friends evolved into a legitimate trivia game of Swiss IQ that went on to sell thousands of copies in

Switzerland. Sebastien Pauchon, a designer of board games, is founder of game publishing company GameWorks.
