**Marion Billet : London Landmarks Notebook (Marion Billet's London Stationery Range)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised London Landmarks Notebook (Marion Billet's London Stationery Range):

A high-quality, hard back London notebook, featuring Marion Billet's illustrations of London icons. With a flick-book-style Queen's Guard marching through its 148 lined pages plus a nifty elastic wrap-around fastening, this is a right

royal treat for all fans of London.
