I am sold to visiting this wonderful city soon. The night destinations listed are complete with links to their websites, making it easier for a traveler to get more information about the places especially if the book is viewed on a mobile device with an internet connection. It would have been better if the author also included photos of each establishment for easy location.0 of 0 people found the following review helpful. There are so many options to choose from and the amount of money you have won't determine how much fun you can haveBy Al RahmingThis is so true. Traditions and historical aspects aside, there are only a few cities whose nightlife can rival London's. From coffee spots, nightclubs, and live music, London has it all. There are so many options to choose from and the amount of money you have won't determine how much fun you can have. The costs varies to fit any budget. If you are planning your next vacation, this book provides valuable insight from an insider. Use this as your quick reference guide. I enjoyed this.0 of 0 people found the following review helpful. About the AuthorI am a language fun and polyglot traveling the world to meet fascinating people and getting to know incredible places and customs. I find nothing is more rewarding than practicing languages with others, getting new friends and meeting new cultures and customs. Probably you feel the same way. As I keep learning new languages I realize that each one opens up a whole array of new experiences and a new way to look at the world. I decided to write about my experiences to share them with other people and to transform my lifestyle into a way of making a living. I hope I will be able to transmit my passion for languages and for people to those travelers who find that an unknown foreign language is a barrier hard to get by. I know how it feels and hope will be able to help travelers to get the most of their journeys. Journeys are life transforming experiences! Thanks for reading my books! Sarah Retter
