walks that you get on the subway to get to and walks that you use the train to get to. This is great for my husband, because when he travels, he always has a full day to do what he wants.3 of 3 people found the following review helpful. History and Real AleBy TerenceOne of the best ways to take in London's history, culture and sights while enjoying varied opportunities to enjoy real ale.1 of 1 people found the following review helpful. Five StarsBy DiedraLooking forward to my walks

Explore the entire city without ever being far from a decent pint, with this updated edition that includes a bonus section of special tours around the city via public transport and peddle power
