Ronald F. Kinnoch : London Restaurant Guide 2017: Best Rated Restaurants in London - 500 restaurants, bars and cafés recommended for visitors, 2017

before purchasing it in order to gauge whether or not it would be worth my time, and all praised London Restaurant Guide 2017: Best Rated Restaurants in London - 500 restaurants, bars and cafés recommended for visitors, 2017:

0 of 0 people found the following review helpful. Useless InformationBy Ted3rdThis book was a big disappointment. There may be 1000 restaurants listed but they are listed by someone's ranking of #1, #2 etc, but who chooses a restaurant that way? "Hey, honey, do you feel like some #42 tonight?" There is no way to find restaurants in a particular section of London or to find restaurants specializing in a specific cuisine. This would be a much better deal if you could buy the information as an Excel and sort the data however you wanted. This book is going back. . .

The restaurants found in this book are the most positively reviewed and recommended by locals and travelers. 1,000 places listed. "TOP 1000 RESTAURANTS" (97 Cuisine Types). Argentine, Asian Fusion, Barbeque, Basque, Brasseries, Breakfast Brunch, British, Burgers, Caribbean, Chinese, Delis, Fast Food, Fish Chips, Cuban, French, German, Gluten-Free, Greek, Indian, Italian, Japanese, Mediterranean, Mexican, Middle Eastern, Pizza, Portuguese, Seafood, Spanish, Steakhouses, Sushi Bars, Tapas Bars, Tea Rooms, Thai, Turkish, Vegan, Vegetarian and many more options to visit, relax and enjoy your stay.
