Applying the winning formula of London's Best Pubs to focus on riverside watering holes, this book shows the best that the capital has to offer along the Thames and the Grand Union Canal. Extending from Walton-on-Thames to Thamesmead, the book features 100 pubs, giving a variety of venues for the perfect afternoon by the river. Divided by area and accompanied by photography showcasing both exteriors and interiors, the pubs described here will appeal to a broad range of visitors, both tourists and London residents alike. Every entry features an overview of the cask ales on offer, together with informative historical and architectural snapshots and details on the character of each pub. This title is suitable for: visitors to London who are looking for great riverside locations; and London residents who are looking for a break from their usual pub choices.
