**David Hampshire : London's Secrets: Peaceful Places** before purchasing it in order to gage whether or not it would be worth my time, and all praised London's Secrets: Peaceful Places:

London is one of the world's most exciting cities, but it's also one of the noisiest; a bustling, chaotic, frenetic, over-crowded, manic metropolis of over 8 million people, where it can be difficult to find somewhere to grab a little peace and quiet. Nevertheless, if you know where to look London has a wealth of peaceful places. Peaceful Places contains over 200 of the author's and his friends', colleagues', and acquaintances' favorite locations throughout the city.

About the AuthorDavid Hampshire is the author, co-author, or editor of some 25 titles, including Living and Working in London, London's Secret Places, London's Secrets: Museums Galleries, London's Secrets: Parks Gardens, and A Year in London. He now divides his time between London and Bath.
