Saska Graville : London Style Guide: Eat Sleep Shop before purchasing it in order to gauge whether or not it would be worth my time, and all praised London Style Guide: Eat Sleep Shop:

5 of 7 people found the following review helpful. Beauty is in the eye of the beholder By L. Bonner I was delighted that the price for the Kindle edition was so reasonable, but quickly found out why. This title only displays properly on my iPad mini. On both my smartphone my Kindle Fire HD, the right-hand side of the page is cut off. Try the sample on your device(s) before you buy. If it will work on one of them for you, it's a beautiful book. 0 of 40 people found the following review helpful. Goal for 2014 By Miss Lynn Fraser A few of the places I have been to since moving to

London 4years ago. However I'm looking forward to venturing out a bit further and trying out some new places.
Columbia Road here I come :)

A journey to the heart and soul of London, this gorgeous guide reveals the hidden and stylish places that make the city so incredibly unique and eclectic. Everyone is familiar with the iconic. Instead, this book introduces visitors to the essence of London style, finding it in the small, off-the-radar places: the one-off shops, street markets, corner pubs, and local restaurants that Londoners themselves go to. These places share a certain eccentricity, quirkiness, and independence of spirit, and that's what this guide is all about. London can be big and overwhelming, and there are many guide books directing visitors to the key trophy sights of the city, but this book breaks it down by village, and reveals the places that the locals love. It also features some of the Londoners behind the shops, cafes, and hotels, and ask them to reveal their city secrets. By delivering a carefully chosen selection of the smaller, most stylish spots that are revered by the residents, visitors feel like locals. It's London up close and personal.

About the AuthorSaska Graville has worked as a writer and editor in women's magazines and newspapers for more than 20 years. She is currently a travel correspondent for the Sun-Herald.
