Corey Sandler : London: With Day Trips to Bath, Brighton, Cambridge, Oxford, Windsor, and Other Popular Destinations (Econoguide London) before purchasing it in order to gage whether or not it would be worth my time, and all praised London: With Day Trips to Bath, Brighton, Cambridge, Oxford, Windsor, and Other Popular Destinations (Econoguide London):

0 of 0 people found the following review helpful. London on a budget?By George N. AppenzellerIt does as well as possible with tips on staying cheap in London. This is a daunting task to say the least. We have travelled extensively in Europe and the UK is by far the most expensive.As for the book itself, it does not miss the highlights and is as good as we have found for tips for the price conscious. No significant errors were found as of our last trip (August 2001). The maps are weak but adequate enough to get you there. The info on the tube system is good, but off by about 10 pence.The annual event info is good as are the sight listings.All in all an adequate book, not significantly better than others we have read, but by no means any worse.

These basic travel guides provide all of the information anyone will need to plan the perfect vacation to a given destination. They show travelers how to get the most out of their money and time - no matter what their budget might be. Econoguides rate all the attractions and give advice on how to find the right hotels, restaurants, airfare, and tickets to attractions at the right price. They also give plenty of advice on how to get from place to place. All books in the Econoguide series are updated annually so the information is as up to date as possible.

From the Back CoverEnjoy London without draining your wallet! Includes up to \$1,000 in coupons for discount travel and attractions! Travelers to London can't afford not to have this comprehensive guide to this exciting city. Econoguide® 2002 London shows you how to get the most for your money--no matter what your budget--and your time with inside information, tips, ratings, and suggestions, including: The secret to getting the best airline tickets for the lowest possible fare, as well as taking advantage of Great Britain's excellent railroad system A comprehensive listing of museums, from the majestic British Museum and the spectacular new Tate Modern to smaller gems such as the Cortauld Gallery and Sir John Soane's Museum A complete guide to London's numerous attractions, including West End theaters, the London Zoo, the Tower of London, Westminster Abbey, Downing Street, and Buckingham Palace A detailed rundown of London's many neighborhoods and what each has to offer An invaluable guide to day trips outside of London, from Bath to Windsor and Stonehenge to Oxford Packed with essential information and hundreds of dollars in money-saving discounts on everything from admission tickets to car rentals, restaurants to hotels, and bus tours to museums, Econoguide® 2002 is the London-bound traveler's most trusted companion.
