From Herb Lester Associates : London: You Are Here: The Best Places to Meet and Work in London before purchasing it in order to gauge whether or not it would be worth my time, and all praised London: You Are Here: The Best Places to Meet and Work in London:

Informed by on-the-ground research, Herb Lester's handy, folded guides uncover what makes a city special - its most distinctive shops, restaurants, cafés, bars, museums and galleries, whether unmissable old favourites, exciting new arrivals or overlooked treasures. Each entry comes with its own brief description, and a basic map helps the reader get their bearings and make plans. An updated version of our first publication. This is our guide for anyone who needs a calm, quiet place to work or meet in London. It lists 21 of the best, most well-appointed cafes and spaces for freelancers or visitors. Armed with a copy of You Are Here, you need never again darken Starbucks' door, instead find space to think at Look Mum No Hands, the Whitechapel Gallery or Wild Wood - and that's to name just three. Printed on a single sheet of 100% recycled paper, these light, portable guides are an ideal travelling companion.
