Oliver Berry, Peter Dragicevich : Lonely Planet Brittany Normandy (Regional Travel Guide) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Lonely Planet Brittany Normandy (Regional Travel Guide):

14 of 14 people found the following review helpful. DisappointedBy RPBI was sorely disappointed with this book! I purchased it because all of the other Lonely Planet books I own are so helpful and informative. There was not much to like about this book--it was hard to navigate, did not have much useful information, and needed more maps of the

region and different areas. Perhaps if one was familiar with the area, this book would have been helpful, but for someone who didn't know much about Brittany, this book made it even more confusing. I hardly used this book at all, but maybe someone else might find it useful. I would encourage anyone to try to find it at your local library before purchasing it, if you can. I tried to do that before I bought it, but it was a hard book to find. Maybe I know why now. 12 of 12 people found the following review helpful. Really, Lonely Planet? By Michelle I am a longtime devotee of Lonely Planet, but was sorely disappointed in this book. I thought since its scope was so narrow - just 2 regions - it would be really in depth. Nope. There is only a page or two on each town, even the ones with major attractions, and little to no practical information. I ended up having to use TripAdvisor to find hotels, Google to print maps, etc. A waste of money. 1 of 2 people found the following review helpful. Good coverage of these two regions of France By Marie Brucker great guides for those who want to spend extensive time in this region. We were going to the beaches of Normandy, which were not as well covered as I had anticipated.

Nobody knows Brittany and Normandy like Lonely Planet. Whether you're after stunning scenery or fabulous food, medieval churches or ancient monuments, a romantic hotel or a top restaurant, this 2nd edition gives you everything you need for an unforgettable trip. In This Guide: Tailor-Make the perfect trip with our hand-picked recommendations and inspiring itineraries Immerse Yourself: local tips and insights get you to the heart of the region Detailed Maps and driving tours make independent exploration easy
