We met another couple with the same book--and they could not find anything either! We had better luck with our hotel map. I love lonely planet books, but stay clear of this one.4 of 5 people found the following review helpful. Excellent Guidebook, like all LP guidebooks.By A CustomerI found the LP Brussels to be informative, clear and altogether correct. I used this to live in Brussels for 3 months while working, and it never failed

me, just as their guides never do. I highly recommend.

Encompassing extensive coverage of all three cities in a logically arranged book, this guide directs the reader through the Art Nouveau of Brussels with a glorious colour section, gives tips on wintertime skating on the glassy rivers of Bruges and points out back-street diamond cutting in Antwerp workshops.

As usual the guidebook standard is set by Lonely Planet-- Outside
