Lonely Planet, Alexis Averbeck, Kate Armstrong, Korina Miller, Richard Waters : Lonely Planet Crete (Travel Guide) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Lonely Planet Crete (Travel Guide):

3 of 3 people found the following review helpful. all of which I have found to be quite good. The Lonely Planet - Crete (Travel Guide) doesn't ...By ROK This review is for the Kindle version. The Lonely Planet produces quite a few

travel books, all of which I have found to be quite good. The Lonely Planet - Crete (Travel Guide) doesn't disappoint me. Good overview of Crete, recommendations of things to do, maps and links to Google maps. Nice e-book to have with you when you are planning your trip and to also have with you when you are in Crete. Well worth the money. 0 of 0 people found the following review helpful. I liked this guide decently well. By David H. I liked this guide decently well. I can say that it's a bit large to carry, but I found it a great supplement to the Frommers guide. I just prefer a more organized daily plan with personal observations. There were great insights, but I thought there was almost too much information to process. Plus I prefer leaving a majority of the history to the tour, but I did find that helpful at points. I think the driving trips were great. The insight into local and regional traditions was helpful. The binding fell apart which was annoying to carry. Again the Frommers guide was a travel friendly size, it was laminated and it could take a beating in a backpack. This guide was more of a manual. I'm not affiliated with this company or products. I wasn't paid or received anything in compensation for this review. 2 of 2 people found the following review helpful. Five Stars. By Angelica L. Mahoney. A great reference if you are traveling to Greece and are considering island hopping.

Lonely Planet: The world's leading travel guide publisher Lonely Planet Crete is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you. Rub shoulders with the Minoan ghosts, enrich your understanding of Knossos, or discover a charming boutique hotel in the winding streets of Hania Old Town; all with your trusted travel companion.
