Lonely Planet : Lonely Planet Croatian Phrasebook Dictionary (Lonely Planet Phrasebook and Dictionary) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lonely Planet Croatian Phrasebook Dictionary (Lonely Planet Phrasebook and Dictionary):

1 of 1 people found the following review helpful. Lonely Planet Croatian Phrasebook and DictionaryBy DerekWent on a trip to Croatia and brought along this book. The phrases are arranged together in a way that you could use them to

make a conversation. The only issue I found was that the pronunciation did not match what the local people would expect or use. I showed the book to a person that knew both English and Croatian and they said the way the book has the pronunciation is not correct. They said to just say it like the Croatian word looks like. That was much closer to the way they say the words. There are a few exceptions but the book does explain those sounds. Once I started using the Croatian word to pronounce things improved, I was told. Very good book though and organized well. Easy to find a list of words that can be used for a situation.0 of 1 people found the following review helpful. Helpful and Well OrganizedBy Janice Roosevelt Gerard, Ph.D.I found the book to be very helpful during my trip to Croatia.8 of 8 people found the following review helpful. UsableBy DavidThe book contained usable Croatian which served me well during my four weeks in country. I studied this sucker every chance I had while on buses, trams, and trains because it was small and packable. I did, however, find that the Croatians themselves said a majority of the verbiage in the book is not actually the verbiage they use. They said it was laughable, especially the page number 123 phrase list on sex. I would use this again, but I would be aware that not everything this book utilizes is modern Croatian language. To be honest the Croatian girls took a liking to the book because it made me seem more foreign and cute for attempting to speak their language.

Never be stuck for words with our extensive dictionary. Our phrasebooks give you a comprehensive mix of practical and social words and phrases. Chat with the locals and discover their culture, a guaranteed way to enrich your travel experience. Get more from your trip with easy-to-find phrases for every travel situation. Order the right meal with our menu vocabulary. Use our carefully selected words and phrases to get around with ease.
