One note is that the museum near the Copenhagen train station that is listed as Free on Sunday changed its schedule. It's now free on Tuesday I believe (they had too many people reading these books and trying to get in on Sunday so they changed the schedule). 0 of 0 people found the following review helpful. This book has been super helpful in planning an upcoming trip By erinchilada This book has been super helpful in planning an upcoming trip. This book has helped me get more excited about the trip! This book also provided several interesting ideas of things to do and see - and has given reasonable expectations of 1, 2, and 3-day itineraries. 3 of 3 people found the following review helpful.
