Lonely Planet, Marc Di Duca, Kerry Christiani, Catherine Le Nevez, Tom Masters, Andrea Schulte-Peevers, Ryan Ver Berkmoes, Benedict Walker : Lonely Planet Discover Germany (Travel Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lonely Planet Discover Germany (Travel Guide):

0 of 0 people found the following review helpful. Great guide
By Katie
There are a lot of cities in book and great tips about when it is best to arrive. It has prices and hours of the establishments. Great advice is also given when on transportation around towns, where to buy tickets, city cards that provide discounts, what is happening in Germany at certain on certain months.

By Artista
This book has good information, but I am glad I bought the Foder's Germany book as well. It covers more towns/cities/sites/details. I couldn't decide which travel guide would be better going by the reviews, so I bought both. I was surprised a few important, well-known sites attractions were left out of the Lonely Planet book. Next time I'm only buying the Fodor's. It felt more complete.

Lonely Planet: The world's leading travel guide publisher Lonely Planet's Discover Germany is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you.
