Lonely Planet, Emilie Filou, Peter Dragicevich, Steve Fallon, Damian Harper : Lonely Planet Discover London 2017 (Travel Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lonely Planet Discover London 2017 (Travel Guide):

4 of 5 people found the following review helpful. Not as good as their other guides...By AshleyI purchased the Lonely Planet ICELAND book, and it was SO informative and helpful - so I decided to purchase the LONDON guide because I was hoping it would be equally as good. Unfortunately, the layout of this book is completely different, and I didn't

find it nearly as helpful as the Iceland Guide. However - Lonely Planet IS a reputable source, and I still trust them for travel advice.
